

## Our online services are back up and running.

Following the practices change in clinical system, we are now able to offer online services again.

Please complete all of the details on this form as we need to get in touch with you to provide you with new registration details.

We apologise for any inconvenience this may cause and hope that you will find the process quick and simple once you have completed this form.

Email is the quickest and simplest way to do this but should you not have an email address, we will contact you by phone or letter.

If you have an email address, will aim to provide you with your registration details within 7 working days. Contact by phone or post will take longer.

Our online services provide:

- Your detailed coded record
- Results
- Your immunisation record
- Ordering repeat medication
- Booking appointments
